## My Three Pillars

**“Limited Federal Government”** -- I am for REDUCING the size of government not just slowing down its growth.

**“Fiscal Responsibility”** -- I will view EACH dollar spent for what it really is a “streak of sweat and a drop of blood” of the American taxpayer.

**“Strong National Security”** – I believe that it starts with treating our country with respect, our soldiers with respect and securing our northern and southern borders.

Please visit my website for more information,  
to join the team and to contribute.
